Some programs have been very successful and
others less so. The most successful programs have been
those which provide incentives for energy conservation through
tax credits, rebates, and low interest loans and long-term
leases to the pharmaceutical companies (EPA, 1991).
Other programs have not been as successful.
The reasons for this are discussed below.

The Cambridge History of Medieval Europe 1000-1500

The author has now completed his work at Balfour
in Scotland, Newmarket, Wincanton, and the south
Wales. The next stage will be to cover the remaining
and unexplored areas of Britain, including
the Highlands, Shetland, Orkney, and
the Channel Islands.
